

## RD Certificate Number: EW482A

### Glazpart Ltd – Slimline Vent 2000 and 4000

#### Description

The Slimline Ventilator will provide Trickle Ventilation in accordance with the Building Regulations 2000: Approved Document F1 October 2010. The product is specifically designed for "Through Profile" PVC-U applications using a 10 mm routed slot, and is available in two sizes. All ventilators are "Clip" fixed with the advantage of rapid fitting to profiles.

The product consists of an internal ventilator with adjustable closures to regulate incoming air flow and an external canopy with integral fly screen.

#### Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

#### Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 1<sup>st</sup> September 2014 and is valid until 1<sup>st</sup> September 2018 providing there are no amendments to applicable regulations.

**Issue dated** 20/09/2017
