

## **Glazpart group of companies Conflict Minerals compliance statement**

Glazpart group of companies are committed to compliance with all relevant laws and regulations with regard to human rights and standards for labour and protection of the environment. We expect the same commitment of all our business partners.

Therefore we support industry-wide efforts to identify, reduce and hopefully eliminate the use of conflict minerals, Tin, Tantalum, Tungsten and Gold (3TG) originating from the Democratic Republic of Congo (DRC) and neighbouring countries (Angola, Burundi, CAR, Rep. of Congo, Rwanda, South Sudan, Tanzania, Uganda, Zambia) which in turn finance or benefit groups committing human rights violations. Glazpart group of companies are committed to complying with any applicable requirements under Conflict Minerals legislations, and carries out due diligence in order to meet its obligations under the legislation.

Suppliers to Glazpart group of companies are expected to establish their own conflict minerals policies, carry out their own due diligence procedure to comply with applicable legislations.
